Family Stories

Scenario 1

Your dad asks you what you did while he played with your little brother in the backyard. You played computer games the whole time, which is against the rules. You tell your dad that you read a book, did some homework, and helped your grandmother fold the laundry.

Scenario 2

Your mom asks you to clean your room and put your clothes away while she helps your sister with her homework. You shove the clothes in a drawer and push all your stuff in the closet, closing the door behind you.

Scenario 3

You tell your sister that on Saturday morning you'll help her learn to skateboard. When you wake up Saturday, you don't feel like doing what you promised. Instead, you tell your dad you need to go to the library to get a book for a report.
