

Scenarios

Scenario 1:

Look! There's a man lying on the side of the path. He looks like he has been beaten up! Ooooh, this sounds like our Bible lesson today, doesn't it? Let's act out how the Samaritan helped the man by the road.

Scenario 2:

Look over there! I see a little girl crying as her puppy runs away. Come baaaaack, puppy! How will we help the little girl?

Scenario 3:

Now I see an older lady trying to put her groceries in her car, but her cart keeps rolling away. Oh, no! I hope it doesn't run into our car! Anyway, how will we help her?

Scenario 4:

Oh, my! Over there I see your mom. She's trying to dust the living room, but your baby sister keeps crying and interrupting her work. How will we help her?

Scenario 5:

Look! I see one of your friends over there! Looks like his bike has a flat tire. He's trying to push it along, but he's having some trouble. How will we help him?
