India Trip – November 2010

Gathering a team to help build a retaining wall for a training facility for pastors and church planters. With the help of volunteers in the construction field, our goal is to develop a skilled trade for 50 local laborers, as well as generate a new industry for manufacturing brick locally. These bricks will be used to build the wall designed to prevent erosion around the training center caused by monsoons and river flooding. Contact Scott Taisey at S_Taisey@hotmail.com.

Perspectives – January-May 2011

Perspectives on the World Christian Movement is a Christian education course designed to help believers learn more about God's heart for all nations and how believers worldwide can play an active role in the Great Commission. Perspectives classes are 15 weeks, one night a week for about 3 hours each session. Visit www.perspectives.org for more info or contact Lynne Ellis at LynneE@occ.org.
